

The HOMELOST Project

HOW TO CUT AND PIN THE SQUARES FOR THE QUILTS

- Cut the T-shirts into 13 inch by 13 inch squares.
 - Lay the T-shirt flat
 - Place the square template on the T-shirt
 - Use a rolling knife to cut back and front at the same time or use scissors to cut around the template.
 - Please make sure to cut in straight lines because that makes it easier when sewing the squares together.
- Pin the T-shirt squares together into columns of 6 squares each.
 - Use straight pins to connect the t-shirt squares.
 - Pin the edges of the squares together.
- Roll the pinned columns of squares up carefully.

Thank you, Griffin & Annie
